## Statue of Liberty (Replica)

This is a bronze replica of the Statue of Liberty in Paris which was brought to Odaiba Marine Park for a period of one year in April 1998 to mark the Year of France in Japan. The statue is about 11 meters tall. The statue weighs approximately 9 tons and was erected in December 2000.

There will be a period during the Tokyo 2020 Games when the park cannot be used. For details, please refer to the park website.
